

VictimConnect Resource Map

Coming Soon!

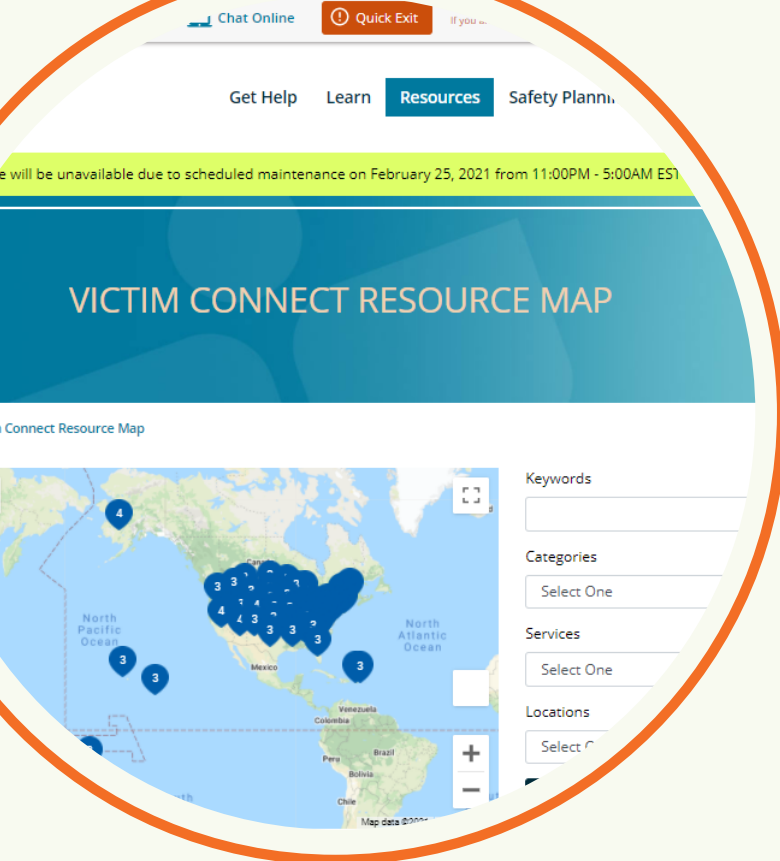

The **VictimConnect Resource Map** is a searchable tool with national and local resources commonly used by our visitors.

The resources included are made up of:

- Direct Service Providers
- Indirect Service Providers
- Law Enforcement Victim Service Departments
- Government Agency Programs
- Domestic Violence and Sexual Assault Coalitions; and Coalition Members
- Advocacy Organizations

To be included, each organization must meet one of the following criteria for inclusion:

- Receive government funding (local, state, federal)
- Belong to a regional task force, multidisciplinary team, or collaboration in your area of expertise.
